品牌诞生：源自爱的洞察与使命担当
Petfect 品牌萌芽于养宠实践。在呵护小猫的过程中，他深感市场宠物食品难以契合宠物真实需求。这一洞察激发了邵子瑜改变现状的决心，Petfect 应运而生，立志成为宠物主人信赖的优质品牌，开启满足宠物全方位需求的征程。

The Petfect brand took root in the pet-raising experience of its founder. During the process of caring for his kitten, he keenly felt that the pet foods available on the market struggled to meet the actual needs of pets. This realization kindled Shao Ziyu's determination to effect change. Thus, Petfect came into being, aspiring to evolve into a trusted premium brand for pet owners and embarking on a journey to fulfill the all-round requirements of pets.
